Let There Be More Light

In the Woods...

[Roger Waters, 1968]Far, far, far away - way
People heard him say - say
I will find a way - way
There will come a day - day
Something will be done.Then at last the mighty ship
Descending on a point of flame
Made contact with the human race
And at MildenhallNow, now, now is the time - time
Time to be - be - be awareCarter's father saw it there
And knew the Rhull revealed to him
The living soul Hereward the WakeOh, my, something in my eye - eye
Something in the sky - sky
Waiting there for meThe outter lock rolled early back
The service men were heard to sigh
For there revealed in flowing robes
Was Lucy in the skyOh - oh - did you ever know - know
No no never ever will they
I'll say!Summoning his cosmic power
And then glowing from his toes
His psychic emanations flowed
