

# You're My Number One

## S Club 7

Ooh ooh  
Na na na na na na na na  
Na na na na na na na na  
What is love? 'Cos baby, I don't know  
I got a funny feeling in my heart  
If this is love, it feels like butterflies  
So tell me, baby, is this how it starts?  
I know, I've never felt like this before  
You're like a drug, you got me wanting more  
I've got to let you know  
I've got to let you know  
You're, you're my number one  
I do anything for you  
Catch the rain from the sky  
Even hold back the tide for you  
For you, baby  
You're, you're my number one  
With you, I know I belong  
I put the radio on  
And it's always playing our song  
Na na na na na na na na  
Na na na na na na na na  
Tell me what, what have I gotta do?  
'Cos I wanna lay a claim on you  
To make you mine, for now and for all time  
So tell me, baby, what I gotta do? Yeah  
I know I've never felt like this before  
You're like a drug, you got me wanting more  
I've got to let you know  
I've got to let you know  
You're, you're my number one  
I do anything for you  
Catch the rain from the sky  
Even hold back the tide for you  
Baby, baby  
You're, you're my number one  
With you, I know I belong  
I put the radio on  
And it's always playin' our song, yeah

There ain't nothin', I won't do, hey  
I walk on water just to be with you, ooh  
Baby, baby  
You're, you're, you're my number one  
Catch the rain from the sky  
Even hold back the tide for you  
Baby, baby  
You're, you're, you're my number one  
I put the radio on  
And it's always playing our song, yea  
You're my number one, ohh, ooh  
You're, you're, you're my number one
