Anthony

Mutual Admiration Society

Anthony, Anthony
Oh, he said
He can't love me
But I think he can
Yes, I think he can
And I told him that
Just before he ran
Just before he ran
Mmm, mmm
Mmm, mmm
And he's not lookin' back
He's not lookin' back
'Cause he doesn't want
Anything I have
Or anything I am
Anthony, Anthony
Oh, he said
He can't love me
Anthony
