

# Sailin'

## Sammy Hagar

I've been up and down this high way  
Feelin' washed up on the shore  
But I can see the sun slowly risin' out there  
And I count down one more And with the world above my shoulders  
Hey, I can stand up straight and tall  
And slip my feet back in those worn out shoes  
And still make last call And we go sailin', sailin'  
I wanna go sailin'  
On that magic ship we're on  
Sail on sailor, sail on To that place in my head  
That simple place I've never been  
They say the sun never goes down there  
Raise the canvas to the wind And we'll go sailin'  
I wanna go sailin', I wanna go sailin'  
Sailin' from sunset to dawn  
Sail on sailor, sail on, sail on I wanna go sailin'  
I wanna go sailin'  
Baby, let's go sailin'  
I wanna go sailin'  
We gotta go sailin' I wanna go sailin'  
[Incomprehensible] wind in my face  
Well, we go sailin', sailin'  
Sail on sailor, let's go sailin' on  
'Cos I wanna go sailin'
