Be My Baby

Smokie

The night we met I knew I needed you so
And if I had the chance I would never let you go

So won't you say you love me,
I'll make you so proud of me
We'll make them turn the heads,
Everywhere we go, so won't you be...
Be my little baby
Say you'll be my darling
Be my baby now

Oh
I'll make you happy baby
Just wait and see
For every kiss you give me,
I'm gonna give you three
Since the day I saw you
I have been waiting for you
You know I will adore you
'Til eternity

So won't you be...
Be my little baby
Say you'll be my darling
Be my baby now

Oh
Be my little baby,
Say you'll be my darling
Be my baby now
So won't you say you love me
I'll make you so proud of me

We'll make them turn their heads
Everywhere we go
So won't you be
Be my little baby
Say you'll be my darling
Be my darling now
