

# Say You Love Me (CHI2015 Edit)

Jessie Ware

Say you love me to my face  
I need it more than your embrace  
Just say you want me, that's all it takes  
Heart's getting torn from your mistakes 'Cause I don't wanna fall in love  
If you don't wanna try,  
But all that I've been thinking of  
Is maybe that you're mine  
Baby it looks as though we're running out of words to say  
And love's floating away Just say you love me, just for today  
And don't give me time 'cause that's not the same  
Want to feel burning flames when you say my name  
Want to feel passion flow into my bones  
Like blood through my veins 'Cause I don't wanna fall in love  
If you don't wanna try,  
But all that I've been thinking of  
Is maybe that you're mine  
Baby it looks as though we're running out of words to say  
And love's floating away Won't you stay?!  
Won't you stay?!  
Slowly, slowly you run for me,  
But do you know me at all  
Some one told me love controls everything  
But only if you know! 'Cause I don't wanna fall in love  
(No no no no)  
If you don't wanna try,  
'Cause all that I've been thinking of  
Is maybe that you're mine  
(You're mine)  
'Cause I don't wanna fall in love  
If you don't wanna try,  
But all that I've been thinking of  
Is maybe that you're mine  
Baby it looks as though we're running out of words to say  
And love's floating away  
Won't you stay  
Won't you stay
