

Ain't Right

CRATER

Won't deny
I've come undone
So bent out My eyes have been misaligned
Can I see or am I blind?
Blind...I do everything wrong
I'm gonna beg you not to love me
Don't say we get along
Because I've told you not to love me
You found my most fatal flow
Buried mine
And it's not right
Right...I know I do everything wrong
I'm gonna beg you not to love me
Don't say we get along
Because I told you not to love me You are too kind
I'm not who you should want
You are too smart
I'm not who you dream of
I'm not who you should want
I'm gonna beg you not to love me
I'm not who you should want
I'm going to beg you not to love me
I'm not who you dream of
I'm going to beg you not to love me
