

Total Recall

Royal Hunt

[November 2005 - The Off Season]We gave this pain to the world which we can't understand

Blood disappears like the raindrops when hitting the sand
Eye on the Bible and hand on the gun-wandering comes to an
end

Fight in the name of your god and his son-wait for the
final command:Total Recall - we saw it all,we took it all protected by
the law

Total Recall -we torched another life we'll never know
Total Recall - we shot it all we burned it all and now it's
time to goWish for redemption and peace's never crossing our mind
Blood on the bricks - that's all that we're leaving behind
Pictures of home disappearing in flames.Mission's complete
In the end there's nothing to lose,we're ready to go-
wait for the final command - "Total Recall".
