Fuck you, fuck you  
Fuck you, fuck you Zim zima, who got the key to my bee ma?  
Jack moves that's how we act when we team up yo yo yo yo  
Yo yo yo yo yo sim sima who got the key to my beamer?  
Jack mode that's how we act when we team up  
Throw your triple beam up this is fish gill  
I bailed out of county with counterfeit bills  
My slang be high range brick city  
Watch how you sniff son I'm highly octane  
All you hear is bang bang bang bang Yo remember you bitch it I forget my last name  
It's all about game nothing else for delf  
Walk through the woods then stomp on your foot  
With high I take out any cop in the hood  
Gorilla intact in this rap habitat get your step in your air max  
Bounce you cocking it back but where it at  
Bounce I got a six pack of Heineken  
And big caps on your wheels and two laps  
I gave Stella her groove back My middle name must be fuck you  
'Cause every time I walk by niggaz be like fuck you  
I'll bee dat, I'll bee dat, I'll bee dat, I'll bee dat  
My first name must be he ain't shit  
'Cause every time I'm in a car bitches be like he ain't shit  
I'll bee dat, I'll bee dat, I'll bee dat, I'll bee dat Yo yo I heard the party going on in there yeah  
Well let me shake my stinking ass in there yeah  
Soon as I walk in, dogs are barking  
Haters play them back, I stay in front lay handicap parking  
Start in arsons from jerse to arkin  
Saw me coughing out that dread apartment  
Roll up to the jam with the front end been up  
Watch them chickens floating them getting samanila  
A ghetto like D in D, fucking with D You be on ban from TV part gree in a heart beat  
Tiger straight out the cup

You light in the ass son you wave by the buck  
 But I'm one ninety physic  
 Two hundred and thirty four pound total when I'm carrying the heat  
 Now platinum more wax  
 But platinum in the streets  
 Any nigga that disagree smack him in the teeth  
 Then I bag his little piece rocking the iceGet it to the project going to rob in the night  
 Why you acting like that the weed made me do it  
 The devils advocate ha could take days to do it  
 My crew do drugs Duane Reade could'nt breed  
 Drive me in the sun I'll amount to ten keys  
 Rambon I'm bonin', MC's be clonin'  
 That's before doc stretch up and mowningMy middle name must be fuck you  
 'Cause every time I'm in the hood niggaz be like fuck you  
 I'll bee dat, I'll bee dat, I'll bee dat, I'll bee dat  
 My first name must be he ain't shit  
 'Cause every time I'm in my car bitches be like he ain't shit  
 I'll bee dat, I'll bee dat, I'll bee dat, I'll bee datYo yo if you got to be a monkey be a gorilla  
 It's 4 a.m. I'm off a tab and steal her world rap biller  
 Push a big benz with the chicken head  
 Draws hanging from my antenna  
 I'll be god damned if a nigga take mine  
 On foot shit put roller blades onMind your business the nine was swiftness  
 I pull it stretch, it like fond of fitness  
 I'm a every day nigga like a Toyota  
 You're A and our hope you don't drope the same quarter  
 Rap the poop down in a hefty two  
 Yo he ain't from Chi, so haul ass back to UtahMy middle name must be fuck you  
 'Cause every time I'm in the hood niggaz be like fuck you  
 I'll bee dat, I'll bee dat, I'll bee dat, I'll bee dat  
 My first name must be he ain't shit  
 'Cause every time I'm in my car bitches be like he ain't shit  
 I'll bee dat, I'll bee dat, I'll bee dat, I'll bee datMy middle name must be fuck you  
 'Cause every time I'm in the hood niggaz be like fuck you  
 I'll bee dat, I'll bee dat, I'll bee dat, I'll bee dat  
 My first name must be he ain't shit  
 'Cause every time I'm in my car bitches be like he ain't shit
