Wizard of Oz

Toy-Box

Do you believe in magic?CHORUS
Just like the story 'bout the Wizard of Oz
I have a wish to be a very special girl
I really really wanna know so much
So tell me are you the Wizard of Oz?Will you take me to the land of Oz
Yes, I will, come on (Let's go then)
But that's your house, and not the land of Oz
But this is much more fun (Really)You can be my wizard
But don't tell anyoneRepeat CHORUSWizard, wizard
Will you be my wizard?I am searching for the magic land
Follow me, my girl (Okay)
Do you have to touch me with your magic hands
It's part of the ritual (Hey, hands off, Mister)Listen to the wizard
And you'll be magicalRepeat CHORUS
(Love you)Wizard, wizard
Will you be my wizard?Ho ho ho ho ho
Welcome to the land of Oz
Is this the land of Oz?
Wow! It's so beautiful
It's magicalWizard, wizard
Will you be my wizard?
(Excuse me, which way to fly?)
Wizard, wizard
Will you be my wizard?
(Shh, it's a secret!)Repeat CHORUSWizard, wizard
I have a wish to be, be, be
Be, be, be
Wizard, wizard
So tell me are you the Wizard of Oz
Tell me are you the Wizard of Oz(Of course I am)
