

# Stay (feat. Amanda Wilson)

## FTampa

[Verse 1]

I know you do  
I know you want me like I want you  
But we fall apart  
When everything was getting good[Pre-Chorus]  
Winning the battles  
But losing the war  
Should be look at what we're fighting for  
I don't wanna lose you  
I can't be without  
Call it a true and put our weapons down[Chorus]  
And if you stay  
Nobody does it like me  
Let me show you, please stay  
I can't get over you  
You can't get over me  
Nobody does it like me  
Let me show you, please  
I can't get over you

You can't get over me[Instrumental][Verse 2]

I know you do  
I know you want me like I want you  
But we fall apart  
When everything was getting good[Pre-Chorus]  
Winning the battles  
But losing the war  
Should be look at what we're fighting for  
I don't wanna lose you  
I can't be without  
Call it a truth and put our weapons down[Chorus]  
And if you stay  
Nobody does it like me  
Let me show you, please stay  
I can't get over you[Instrumental][Outro]
