

# I Want to Kiss You

Devin

Hey baby come here  
I got something to tell you  
See I've been thinking a lot about you lately  
And well...We've spent a lot of time together  
I think I'm kind of in to you  
(Yeah, yeah, yeah, yeah)  
I'm feeling sort of nervous and anxious  
To tell you what I'm going through Well it might be the night  
Or it might be the bright moonlight  
All I see is a wonderful need  
And beautiful too  
So precious and new  
And this is all I wanna do I wanna kiss you so bad  
So bad it's driving me mad  
I wanna kiss you real good  
Oh and I'm wishing I could  
(I, I, I wanna, oh baby let me kiss you) I have a little tiny confession  
I don't know what to do  
(Yeah, yeah, yeah, yeah)  
Oh I have a little tiny obsession  
With something that's attached to you Well it might be your eyes  
Or it might be your nice big ooh  
I don't know if I want my cover blown  
I want the truth  
Every time I'm with you  
This is what I wanna do I wanna kiss you so bad  
(Just wanna kiss you baby)  
(Can I kiss you?)  
So bad it's driving me mad  
(Just wanna kiss you baby)  
(I wanna kiss you)  
I wanna kiss you real good  
(Just wanna kiss you baby)  
(And I'm wishin' I could)  
Oh and I'm wishing I could  
(I, I, I wanna, oh baby let me kiss you) Well it might be the smile  
Or the way you look into my eyes  
Baby ooh what to do  
I won't know until I kiss you

That's why, that's why I got to have you  
I got to have you baby  
I got to have you  
Oh that why I  
I got to have you  
I got to have you baby  
I got to have you  
I wanna kiss you so bad I wanna kiss you so bad  
(Just wanna kiss you baby)  
(Can I kiss you?)  
So bad it's driving me mad  
(Just wanna kiss you baby)  
(I wanna kiss you)  
I wanna kiss you real good  
(Just wanna kiss you baby)  
(And I'm wishin' I could)  
Oh and I'm wishing I could  
(I, I, I wanna, oh baby let me kiss you) Just wanna kiss you baby  
Can I kiss you?  
Just wanna kiss you baby  
I wanna kiss you  
Just wanna kiss you baby  
And I'm wishin' I could  
I, I, I wanna, oh baby let me kiss you  
Yeah, yeah, yeah, yeah, yeah
