

# Go Your Own Way

## The Cranberries

Loving you, isn't the right thing to do  
How can I ever change things, that I feel  
If I could, maybe I'd give you my world  
How can I when you won't take it from me  
You can go your own way, go your own way  
You an call it another lonely day  
You can go your own way, go your own way  
Tell me why, everything turned around  
Packing up, shacking up is all you wanna do  
If I could, baby I'd give you my world  
Open up, everything's waiting for you  
You can go your own way, go your own way  
You an call it another lonely day  
You can go your own way, go your own way
