

# Spaghetti

## Emblem3

I don't need to be impressive, I don't need to run the game  
I don't want to keep on chasing, maybe I'll just go my way Ayeee ee ayee ee everything's gonna be alright,  
alright I don't need no bumpin music, all I need is my guitar  
I don't need no late night cruisin, I don't even got a car Like ayeee ee ayee ee everything's gonna be alright,  
alright I wanna lay low, not just 'cause I'm broke  
I wanna stay home and have a kick back, tonight.  
Sorry not sorry, am I (I, I) Let's ditch the party and call everybody  
And we'll make spaghetti and it'd be all ready  
Ayeee ee ayee ee everything's gonna be alright, alright  
So don't fear tomorrow, let that be the motto  
And just pass the bottle and we'll make it hotter  
Like ayeee ee ayee ee everything's gonna be alright, alright tonight I don't need no debby downer, I just wanna  
keep my buzz  
I don't wanna no melodrama, I don't gotta trip because Ayeee ee ayee ee everything's gonna be alright, alright I  
wanna lay low, not just 'cause I'm broke  
I wanna stay home and have a kick back, tonight.  
Sorry not sorry, am I (I, I) Let's ditch the party and call everybody  
And we'll make spaghetti and it'd be all ready  
Ayeee ee ayee ee everything's gonna be alright, alright  
So don't fear tomorrow, let that be the motto  
And just pass the bottle and we'll make it hotter  
Like ayeee ee ayee ee everything's gonna be alright, alright tonight Aye aye, alright, everything's gonna be  
alright  
Aye aye, alright, everything's gonna be alright  
Aye aye, alright, everything's gonna be alright  
Aye aye, alright, everything's gonna be alright Let's ditch the party and call everybody  
And we'll make spaghetti and it'd be all ready  
Ayeee ee ayee ee everything's gonna be alright, alright  
So don't fear tomorrow, let that be the motto  
And just pass the bottle and we'll make it hotter  
Like ayeee ee ayee ee everything's gonna be alright, alright tonight Let's ditch the party and call everybody  
And we'll make spaghetti and it'd be all ready  
Ayeee ee ayee ee everything's gonna be alright, alright
