Dishes

Yann Tiersen

I am not Jesus though I have the same initials
I am the man who stays home and does the dishes
And how was your day?
Is that woman still trying to do your head in?
A man told me to beware of 33
He said, "It was not an easy time for me but I'll get through
Even though I've got no miracles to show you"
I'd like to make this water wine but it's impossible
I've got to get these dishes dry
I'll read a story if it helps you sleep at night
I've got some matches if you ever need a light
Oh, I am just a man but I'm doing what I can to help you
I'd like to make this water wine but it's impossible
I've got to get these dishes dry
And I'm not worried that I will never touch the stars
'Cos stars belong up in heaven and the earth is where we are
Oh, yeah and aren't you happy just to be alive?
Anything's possible you've got no cross to bear tonight
No not tonight, no not tonight
I am not Jesus though I have the same initials
