

# Long Shot Kick De Bucket

## Ska-Boom

What a weepin' and wailin' dung a Caymanas park  
What a weepin' and wailin' dung a Caymanas park  
Long Shot, him kick de bucket  
Long Shot kick de bucket

Get up, get up in the first race  
And them pull up the pace  
Get up, get up in the first race  
And them pull up the pace  
And Long Shot, him kick de bucket  
Long Shot kick de bucket

Them wail, them wail, them reel  
But they couldn't take the trail  
Them wail, them wail, them reel  
But they couldn't take the trail  
And Long Shot, him kick de bucket  
Long Shot kick de bucket

It was Starbright, Combat, Corazon  
Long Shot on the rear  
It was Starbright, Combat, Corazon  
Long Shot on the rear  
Combat fell, Long Shot fell  
All we money gone a hell  
All we money gone a hell  
And Long Shot, him kick de bucket  
Long Shot kick de bucket
