Doombringer (live)

Nasum

No need for apologies, we all played fair
No reason to forgive nor to forget
Four years of high life and then you die
Beaten by the clock yet you try to stay aliveDoom, the end is closing in
Just before it all begins
The end is closing inDestined to lead yet you're always last
Strictly narrow minded, don't give a shit about the past
Yet the future is dimmed in a cloud of gasoline
In blood red darkening, you try to float upstreamDoom, the end is closing in
Just before it all begins
The end is closing inDoombringer
DoombringerDisappointed by the truth
Misery shines through you
Endless pain is all you give
Wade through emptiness for eternity
