

Accessory

Jordyn Taylor

He's like my Cloe shoes, Betsey bag, oh he's cute
He's my Marc Jacobs chain, Prada shades, what's his name?
He's my, he's my, he's my, he's my latest accessory They see my Gucci bag
Peep in my Juicy tag
They like the shoes I wear
Already got it, everyone stop it They wanna see me shine
The latest custom line
Snap, snap, it's photo time
Take a picture, who's that with ya? Ooh, he's the latest thing I match with all my clothing
I scooped him up right from the stores soon as they open
Where did you get it from? Was he on sale? Now everybody wants to know
He can go with me anywhere I go 'cause he goes with everything I own Get on the merry-go-round, round
Wanna carry him 'round, 'round, all over town, town
He's my latest accessory Now, now got the Hollywood bam, bam
Look what I found, found
He's my latest accessory He's like my Cloe shoes, Betsey bag, oh he's cute
He's my Marc Jacobs chain, Prada shades, what's his name?
He's my, he's my, he's my, he's my latest accessory They see my Fendi watch
And my Rock and Re
Dolce Gabbana heels
Now that I got them everyone wants them He comes in every size
Got to accessorize
He's like my low rise
Can't go without them, it's something about him Ooh, he's the latest thing I match with all my clothing
I scooped him up right from the stores soon as they open
Where did you get it from? Was he on sale? Now everybody wants to know
He can go with me anywhere I go 'cause he goes with everything I own Get on the merry-go-round, round
Wanna carry him 'round, 'round, all over town, town
He's my latest accessory Now, now got the Hollywood bam, bam
Look what I found, found
He's my latest accessory He's like my Cloe shoes, Betsey bag, oh he's cute
He's my Marc Jacobs chain, Prada shades, what's his name?
He's my, he's my, he's my, he's my latest accessory He's my latest accessory
He's my latest accessory Get on the merry-go-round, round
Wanna carry him 'round, 'round, all over town, town
He's my latest accessory Now, now got the Hollywood bam, bam
Look what I found, found
He's my latest accessory He's like my Cloe shoes, Betsey bag, oh he's cute
He's my Marc Jacobs chain, Prada shades, what's his name?

He's my, he's my, he's my, he's my latest accessory
He's my, he's my, he's my, he's my latest accessory
