Tennessee Pusher

O.C.M.S.

Out on the lonely highway I'm ridin' your way
Tell your momma to bar the cabin door
Headin' out on a short run just lookin' for someone
Who doesn't love me anymore
Tennessee pusher
Tennessee pusher
Tennessee pusher
Last night in the holler I made a thousand dollars
But I couldn't believe just what I saw
You were out in the moonlight
Until the break of daylight giving your love to the law
Tennessee pusher
Tennessee pusher
Tennessee pusher

Climbin' up on the mountain heart beat poundin'
Reckless as a cyclone
You're the one that I'm after
But I'm a wanted man for bringing it all back home
Now there's gun smoke in the valley, blood like jelly
Three crows circle a dead tree
One for the lover, one for the pusher
One for the deputy
Tennessee, Tennessee
Tennessee pusher
Tennessee pusher
Tennessee pusher
Tennessee pusher
