

# If You Say So

Donnie Fritts

If You Say So  
by Donnie Fritts & Bill Blackburn

If you tell me the world is flat  
And Texans never wear cowboy hats  
I don't doubt it - if you say so

The Eiffel Tower's down in Muscle Shoals  
And Ray Charles ain't got no soul  
I can dig it - if you say so

## CHORUS:

If you say so, that's all I need to hear  
As long as your sweet lips whisper in my ear  
It's the truth I know - if you say so

## BREAK = Verse

Mayberry reruns - they ain't funny  
TV preachers won't take your money  
Well that's the gospel - if you say so

Can't place a bet down in ol' Reno  
Aspen Colorado don't get no snow  
I'll take your word for it - if you say so

## CHORUS

California never gets the shakes  
Elvis never ever cleaned his plate  
I'll believe it - if you say so

CODA: That's a fact Jack - if you say  
Well it's chiseled in stone - if you say so  
Say so - say so ... fade
