Maybe I Am

Stu Larsen

she's blowing in the wind
she quickly pulls me in
to her sideshe smiles with her eyes
as she looks right into mine
it's been a whileand she's not like the rest of them
or maybe she is
but she will be gone
before we even kissrolling with the waves
another day, another place
it all begins to blurI know she knows she's on my mind
I know it's something I can't hide
from her
and I'm not like the rest of them
or maybe I am
but I will be gone before she even holds my handwe keep the sand off from her feet
and delay this memory
for another timethere is sadness in her voice
as we choose to make a choice
she is hers and I am minewhy can't she stay?
why can't she stay for a while?why can't she stay?
why can't she stay for a while?why can't she stay?
why can't she stay for a while?and why can't she stay?
why can't she stay for a while?
she's blowing in the wind
she quickly pulls me in
to her sideshe smiles with her eyes
and she looks right into mine
it's been a while
