## T.I.

[Chorus:]

I'm on the road the day I die

No waking up but don't you cry  
Let your dreams live on tonightUuuuh Uuuuh

[Verse 1:]

We do it big, going hard, get it in  
I tell make my hustle full fittin in  
I'll catch a fair cake, go to prison then  
Turn around, do the same shit again  
Down back, countin rack  
A hundred kilo champagne, hey I drown that  
Loud pack, burnt up  
Do the iMAX bid, shorty turnt up  
The American dream, I'm livin in it  
To Trayvon get some Jesses, I kill a bitch every minute  
Yea talk, give a damn about the sentence  
You ain't down to die for something  
Your life ain't worth living

That unchangeable surprise  
No waking up but don't you cry

Family Hustle nigga[Verse 2:]

I'm livin so my sons and daughters never see martyr

Get it, spend it today, save something tomorrow  
A young king's Arthur, learned from my father  
Tomorrow 50-50, today is our hour  
Damn right, 24 hours, 365  
Push it to the limit, switchin lanes on the highway  
Like fuck it, if I diw today I die in pain  
I'm straight nigga, straight bullets in your driveway  
Man the game, man the game, why should I play?  
For my fam, my life, damn alley  
Put it on the line, never mind the consequences  
You ain't down to die for something your life ain't worth living[Chorus:]  
I'm on the road the day I die  
That unchangeable surprise  
No waking up but don't you cry  
Let your dreams live on tonightUuuuh Uuuuh  
Uuuuh Uuuuh

Live on tonight[Bridge:]  
Ahuh

You know a trouble man ride with a hundred band  
Bet it all, win or lose, it ain't nothing man  
Modern day, near perfect, I'm the son of man  
Every summer kill shit, call me Son of Sam  
Big chain, big car  
I could buy a big house on my black card  
Them other suckers only wanna act hard  
Hustle Gang, we jump off, flow stunt hard  
So respected, I don't even need a bodyguard  
But if it fully automatic then it probably hours  
Real talk, give a fuck about the sentence  
If you ain't down to die for something your life ain't worth living[Chorus:]  
I'm on the road the day I die  
That unchangeable surprise  
No waking up but don't you cry  
Let your dreams live on tonightUuuuh Uuuuh  
Uuuuh Uuuuh  
Uuuuh Uuuuh  
Live on tonight
