

Jon Lends a Hand

[Devendra Banhart](#)

I know the whole world says to you
But I'm gonna say it too
There's no one I ever knew
Quite as beautiful as you
As beautiful as you
As beautiful as you
As beautiful as you
Oh, Jonathan, Jonathan
These are your chords
I'm borrowing them, I'm borrowing them
Just to convey
How very beautiful she looks today
SÃ-, sÃ-
I hope that you don't mind
I'll give 'em back after I'm done
I know the whole world says to you
But I'm gonna say it too
There's no one I ever knew
Quite as beautiful as you
As beautiful as you
As beautiful as you
