

The End of the End of the Ugly

Sonic Youth

[sugar cane cd5][kim]
You're not telling what you feel
You're just say you can't deal
You're just lying like a peel
You're just saying it ain't realMum told you
And I'll tell you
You better pick it up
You left your roomI'm not telling you what or feel
I'm just saying I can't deal
You're just lying like a peel
I'm just saying you ain't realYour mum told you
And I'll tell you
You better straighten up
It's such mess insideYou're so hot
You're bad
You're tangledTelevision pants shock gello price phone bill fax paper
Cranberry juice dirty sock cd's tapes highschool yearbook
Comb and all those let upsYour mum told you
And I'll tell you
If I make you cry
I'll poke your eyeI'll tear you limb for limb
Lying in your room
What we said is true
And as such were through
