War

Son Lux

We were at war
With walls and mazes
Torn up and tearing insideYou wooed us out
To open places
Trading our death for your lifeYou raised the sun
To warm our faces
Astonishing us with lightWe were at war
With walls and mazes
Torn up and tearing insideYou wooed us out
To open places
You raised the sun
To warm our faces
Astonishing us with light
Astonishing us with light
Astonishing us with light
