

Thin Air

Teenage Fanclub

There's a light, when my baby's in my arms,
There's a light, when the window shades are drawn, Hesitate, when I feel I may do harm to her,
Watch it all, cause this feeling we can share And I know she's reached my heart, in thin air Byzantine is reflected
in our pond,
There's a cloud, but the water remains calm,
Reaching in, the sun's fingers clutch the dawn to pass,
Even out, it's a precious thing to bear And I know she's reached my heart, in thin air,
Yes I know she's reached my heart, in thin air It's not in my past to presume,
Love can keep on moving in both directions
How to be happy and true,
Is the quest we're taking on together, Taking on, on, on, on,
Taking on, on, on, on, on, on, on There's a light, when my baby's in my arms, And I know she's reached my heart in
thin air,
And I know she's reached my heart in thin air,
Yes I know she's reached my heart in thin air,
Yes I know she's reached my heart
