

Skinny (It's Overflowing)

Quicksand

I'm on the inside
I'm on your side
And each thought stings
I can't think straightIt's overflowing
It's overflowing
It's coming downIt's overflowing
I'm sinking
It's overflowingIt's some savior
You fall into
And each love stings
I can't think straightIt's overflowing
It's overflowing
It's coming downIt's overflowing
I'm sinking
It's overflowing
It's coming downIt's overflowing
I'm sinking
It's overflowing
It's coming down
