Transformer

Supermachine

I, I, I, I, I, I know how to transform
I can transform, I'll transform
I'm a transformer
I, I, I, I, I, I know how to transform
I can transform, I'll transform
I'm a transformer
I'm just being myself
Plus I gotta be me too
Silly of me to think that
I couldn't bring myself to be you
Ah, but behold there is benevolence
Behind this but don't stare though
Be careful 'cause I'll kill you
With kindness
That why I'm dressed quite neatly
'Cause it's easy and discreetly they seek me
And when they reach me and see me
They believe me completely
I'm a real live wire
If it's between me and you
I can transform, I can transform, I can transform
Without even trying
I, I, I, I, I, I know how to transform
I can transform, I'll transform
I'm a transformer
I, I, I, I, I, I know how to transform
I can transform, I'll transform
I'm a transformer
Now I'm someone else
Now someone can be me too
Behold 'The Beautiful and Bold'
Everyday I wake up to be new
Oh, but it's simple but they still can understand why
I think I can, I think I can, I think I can or can I
I'm a microchip off the old block
You know not but I was a robot
And I sold Rock and you would get
For sho' shoot with a gold glock boy I rode pac
Something that you won't see again

What the hell might as well be a friend
I can transform, I'm a transformer
No telling who I will have to be again
I, I, I, I, I, I know how to transform
I can transform, I'll transform
I'm a transformer
I, I, I, I, I, I know how to transform
I can transform, I'll transform
I'm a transformer
