

# Greens And Blues

## Almost Nature

I'm not together, and you know it's true.  
My bits all wander in the trees.  
And if I ever seem a little strange,  
Would you excuse me please? I said I'm human, but you know I lie.  
I'm only visiting this shore.  
I'll soon be leaving in the outbound tide  
I pray again we will meet. I'm wasting your time, just talking to you  
Maybe best you go on home.  
I'll leave you alone, fade from your mind,  
Slip into the greens and blues. I said I'm human, but you know I lied.  
I'm only visiting this shore.  
I'll soon be leaving in the outbound tide.  
I pray again we will meet. I'm wasting your time, just talking to you  
Maybe best you go on home.  
I'll leave you alone, fade from your mind  
Slip into the greens and blues. Greens and blues  
Greens and blues  
Greens and blues  
Greens and blues I'm wasting your time, just talking to you,  
Maybe best you go on home.  
I'll leave you alone, fade from your mind,  
Slip into the greens and blues. I'm wasting your time, just talking to you,  
Maybe best you go on home.  
I'll leave you alone, fade from your mind,  
Slip into the greens and blues. Greens and blues
