

# This Is For Keeps

## The Spill Canvas

The streets are dark, my pulse is flat-lined  
As I'm running to you.  
You sit completely unaware of what I'm about to do.  
The air is thick with tension much like when we are together.  
My fangs are aching as I'm pondering about you and I forever.  
As I round your corner, I am nervous that you won't be my lover.  
Knock three times and hope that my pale complexion won't blow my cover.  
Answer the door with your innocent face,  
Would you like to leave this human race tonight?

Eternity will never be enough for me.  
And eternally will live our infallible love.

My brain is pumping at unusual secretion of lust.  
Your eyes are softer now, your chin, it drips a bloody color of rust.  
I am raising up the stakes of this round. I am playing for keeps.  
Would you like to leave this human race tonight?

Eternity will never be enough for me.  
And eternally will live our infallible love.

Follow me into the sea.  
Drown together and immortalize you and me.  
Leave behind this lonely town.  
We're both better than this, it's not worth being down.

Eternity will never be enough for me.  
And eternally will live our infallible love.

Follow me into the sea.  
Drown together and immortalize you and me.  
(eternally)  
Leave behind this lonely town.  
(eternally)  
We're both better than this, it's not worth being down.
