No Line On The Horizon

U2

I know a girl who's like a sea
I watch her changing every day for me, oh yeah
One day she's still, the next she swells
You can hear the universe in her sea shells, oh yeahNo, no line on the horizon
No, no lineI know a girl, a hole in her heart
She said, "Infinity's a great place to start
Time is irrelevant, it's not linear"
Then she put her tongue in my earNo, no line on the horizon
No, no line
No, no line on the horizon
No, no lineThe songs in your head are now on my mind
You put me on pause, I'm trying to rewind
And replay-ay-ayEvery night I have the same dream
I'm hatching some plot, scheming some scheme, oh yeah
I'm a traffic cop, Rue de Marais
The siren's wailing, but it's me that wants to get awayNo line on the horizon
No, no line
No, no line on the horizon
No, no line
