

Rock the Block

Sash!

Haha, deejay sash! is about to rock the block!

Rock the block!

If you're dancing all night, 'till the morning light, and i'm never gonna stop, and i'm never gonna stop

Rock the block!

If you're dancing all night, 'till the morning light, and i'm never gonna stop, as long as you rock the block

Rock the block!

Rock the block! (yeah)

Rock the block! Haha, deejay sash! is about to rock the block!

Rock the block!

Rock the block!

Rock the block!

If you're dancing all night, 'till the morning light, and i'm never gonna stop, as long as you rock the block

Rock the block!
