

Quality Shoe

Mark Knopfler

You got your toecaps reinforced with steel
Hard-wearing sole and heel
Make those tired feet feel like newTake your pick, black or brown
Great for the country or the man in town
You're gonna need a quality shoeYou don't want no stand-by pair
'Cause these'll take the wear and tear
Made to take good care of youFor that trip by road or rail
For extra grip on those rocky trails
You're gonna need a quality shoeNow, they maybe ain't too hot for dancing
But I don't foresee too much of that
You ain't exactly gonna be prancing
Around in the moonlight
With a cane and a top hatIf you could use a change of pace
And be excused from the rat race
Just take a look at what's on viewLace 'em up, walk around
I guarantee you can't wear 'em down
You're gonna need a quality shoeNow, I wish you sunny skies
Happiness wherever you may go
But you got to realise
There'll be wind, there'll be rain
And occasional snowYou're gonna want to smile in them
If you're gonna walk a mile in them
There'll be times when you'll be blueTo laugh at rainy days and then
Make your getaways in them
You're gonna need, you're gonna need
You're gonna need a quality shoeYou got your toecaps reinforced with steel
Hard-wearing sole and heel
Make those tired feet feel like newTake your pick, black or brown
Great for the country or the man in town
You're gonna need a quality shoe
