## UFO

Doctor, doctor, please  
Can't you see the mess I'm in  
Doctor, doctor, please  
Can't you see the mess I'm in She walked up to me  
And really stole my heart  
And then she started  
To take my body apart Livin, lovin, I'm on the run  
So far away from you  
Livin, lovin, I'm on the run  
So far away from you Doctor, doctor, please  
Can't you see I'm goin fast  
Doctor doctor, please  
Can't you see I just can't last Its only just a moment  
Shes turnin paranoid  
Thats not a situation  
For such a nervous boy Doctor, doctor, please  
Can't you see I'm goin fast  
Doctor, doctor, please  
Don't you know I just can't last But you look so angry  
As I crawled across your floor  
Shes got the strain  
I cant take any more Livin, lovin, I'm on the run  
So far away from you  
Livin, lovin, I'm on the run  
So far away from you Doctor, doctor, please  
Doctor, doctor, please
