## Turn up the Radio

## **Autograph**

Ooh yeah Turn it up

Come on I'm working hard, you're working too

We do it every day

For every minute I have to work

I need a minute of playDay in, day out, all week long

Things go better with rock

The only time I turn it down

Is when I'm sleepin' it offTurn up the radio

I need the music, gimme some more

Turn up the radio

I wanna feel it, got to gimmie some moreNow listen

I wanna shake, I wanna dance

So count it of one, two, three

I hear the beat, I'm in a trance

No better place to beDaytime, nighttime, anytime

Things go better with rock

I'm goin' twenty four hours a day

I can't seem to stopTurn up the radio

I need the music, gimme some more

Turn up the radio

I wanna feel it, got to gimmie some moreTurn up the radio

I need the music, gimme some more

Turn up the radio

I wanna feel it, got to gimmie some moreTurn up the radio

I need the music, gimme some more

Turn up the radio

I wanna feel it, got to gimmie some moreTurn up the radio

I need the music, gimme some more

Turn up the radio

I wanna feel it, got to gimmie some moreTurn up the radio

Turn up the radioTurn that thing on
