

Sex Maniacs

David Devant and His Spirit Wife

I'm the stranger in your bathroom
and I haven't left for years
You've been putting out my bottles
and wiping up my tears without complaining
When I'm talking in my sleep at night
You are haunted
by my efforts to keep you awake

I'm frightened of the sex maniacs
Love turns to revenge
I'm frightened of the sex maniacs
Love turns to revenge

Every morning when I wake up
I wonder what does it mean?
To be dancing with a stranger
in my strange recurring dream
Every morning when I wake up
I wonder what does it mean?
You are haunted by my efforts
to keep you awake
I'm frightened of the sex maniacs
Love turns to revenge
You can light a candle
on a faraway beach
Something to remind me
that you're just out of reach

Every morning when I wake up
I wonder what does it mean?
Sex maniacs
Love turns to revenge
