Zodiacs

This radio station was named Kowalski In honor of the last American hero to whom

Speed means freedom of the soul

The question is not when he's gonna stop

But who is gonna stop himLike Kowalski in the vanishing point

What sounds good?

What you need? Speed

Lighten up beforeThere goes the challenger being chased by the

Blue, blue, meanies on wheels

The vicious traffic squad car

Right after our lone driver

The last American hero

The, the electric centaur, the demi God

The super driver of the golden westTwo nasty Nazi cars are close behind

The beautiful lone driver

The police numbers are getting closer, closer

Closer to our soul hero, in his soul mobile

Yeah baby, they're about to strike

They're gonna get him, smash him

Rape the last beautiful free soul on this planetVanishing point
