

# Strangers Like Me

[Phil Collins](#)

Whatever you do, I'll do it too  
Show me everything and tell me how  
It all means something  
And yet nothing to me  
I can see there's so much to learn  
It's all so close and yet so far  
I see myself as people see me  
Oh, I just know there's something bigger out there  
I wanna know, can you show me  
I wanna know about these strangers like me  
Tell me more, please show me  
Somethings familiar about these strangers like me  
Every gesture, every move that she makes  
Makes me feel like never before  
Why do I have  
This growing need to be beside her  
Oh, these emotions I never knew  
Of some other world far beyond this place  
Beyond the trees, above the clouds  
Oh, I see before me a new horizon  
I wanna know, can you show me  
I wanna know about these strangers like me  
Tell me more, please show me  
Somethings familiar about these strangers like me  
Come with me now to see my world  
Where there's beauty beyond your dreams  
Can you feel the things I feel  
Right now, with you  
Take my hand  
There's a world I need to know  
I wanna know, can you show me  
I wanna know about these strangers like me  
Tell me more, please show me  
Somethings familiar about these strangers like me  
I wanna know
