

Josie's Song

William Fitzsimmons

No I'm not the one who makes the body and the blood, I won't let you down.

There's an elemental bond with us that won't be found, but you're in my heart. I can hear the sound so faint
falling through the floor, as she lets you go.

There's a quality of pain for you she will endure.

The measures out here. When you waiting, wonder why without a map to steer, I will comfort you.

When you find the other side, I will still be here to measure out my love. Love, the measure of my love, love.
