Purposely

Jarekus Singleton

You try to tell me what to wear
You try to tell me what to eat
You laying in my bed
Trying to tell me how to sleepYou purposely, oh, you trying to run me crazy
You didn't used to be like this
Tell me what's wrong with you, baby
Tell meYour mouth done got real smart
You manipulate when you canI'm wise for my age
But you say I act like an old man
You purposely, you trying to run me crazy
You didn't used to be like this
Tell me what's wrong with you, baby
Tell me
