Sometimes It Hurts

Dojo Cuts

Six o'clock in the morning, my head is ready to explode
I can't believe I made it home alive
I don't remember where I went or what I was drinking
And now it's made me sick
And I'm not denying that I get this way
When I try to get over you
I get this way when I try to get over you
Sometimes it hurts
So much to lose the one you love
Sometimes it hurts
So much to lose the one you love
I tried so hard to hate you but it only makes things worse
I only end up hating myself
And as my hatred grows so do the lies
It's hard to face the truth sometimes
God, I feel so useless
God, I hate myself when I try to get over you
I hate myself, will I ever get over you?
Sometimes it hurts
So much to lose the one you love
Sometimes it hurts
So much to lose the one you love
And after all this time you'd think
I'd understand the way you feel, but no
I only think about myself
And it's driving you away
I always knew it would one day
Sometimes it hurts
So much to lose the one you love
Sometimes it hurts
So much to lose the one you love
Sometimes it hurts
So much to lose the one you love
Sometimes it hurts
So much to lose the one you love
