Once Bitten Twice Shy

Great White

Well, the times are gettin' hard for you little girl
I'm a-hummin' and a-strummin' all over God's world
You can't remember when you got your last meal
And you don't know just how a woman feelsYou didn't know what rock 'n' roll was
Until you met my drummer on a gray tour bus
I got there in the nick of time
Before he got his hands across your state line, yeahNow it's the middle of the night on the open road
The heater don't work and it's oh so cold
You're lookin' tired, you're lookin' kinda beat
The rhythm of the street sure knocks you off your feetYou didn't know how rock 'n' roll looked
Until you caught your sister with the guys from the group
Half-way home in the parking lot
By the look in her eye, she was giving what she got saidMy my my, I'm once bitten twice shy, baby
My my my, I'm once bitten twice shy, baby
My my my, I'm once bitten twice shy, babyWoman you're a mess gonna die in your sleep
There's blood on my amp and my Les Paul's beat
Can't keep you home, you're messin' around
My best friend told me, you're the best lick in townYou didn't know that rock 'n' roll burned
So you bought a candle and you lived and you learned
You got the rhythm, you got the speed
Mama's little baby likes it short and sweet I saidI said, my my my, I'm once bitten twice shy, baby
My my my, I'm once bitten twice shy, baby
My my my, I'm once bitten twice shy, babyI didn't know you had a rock 'n' roll record
Until I saw your picture on another guy's jacket
You told me I was the only one
But look at you now, it's dark and you're goneMy my my, I'm once bitten twice shy, baby
My my my, I'm once bitten twice shy, baby
My my my, I'm once bitten twice shy, babyMy my my, I'm once bitten twice shy, I'm so shy
