Stereogram

Tacocat

Gaze into the magic eye, tell me what do you see
Mine is green a dinosaur, yours is a galaxy
Stereogram it's 1994
Stereogram bring me back to the way it was before
Get up close, cross your eyes, three dimensions made out of two
Are you feelin' dizzy yet, what scene are you lookin' through
Stereogram it's 1994
Stereogram bring me back to the way it was before
Gaze into the magic eye, tell me what do you see
It's the craze, all the rage, the latest technology
