

# That's The Way I Feel About 'Cha

**Bobby Womack**

Huh, you know life is funny when you look at it

Everybody wants love

But everybody's afraid of love

You know, I'm a true believer

If you get anything out of life

You got to put up with the toil and strife

Ooh You're pushin' my love

A little bit too far

I don't think you know

I don't think you know how blest you are

And your friend Annie May tell you all she see

Have you, ever thought she was tryin' to get close to me

Think it over, think it over, girl, think it over

That's the way I feel about 'cha

That's the way I feel about 'cha

I don't mind, I don't mind, I don't mind

I know you've been hurt and so have many others too

But that's the sacrifice that life put you thru

Put you thru, put you thru

Trust in me, my dear, have no fear

You don't know but God might have sent me here, sent me here

Think it over, think it over, girl, think it over

That's the way I feel about 'cha

(Any of us can leave for a long adventure)

That's the way I feel about 'cha

Don't take my love as a sign of weakness

Check into the situation, girl

Dig a little deeper

Think it over, think it over, girl, think it over

That's the way I feel about 'cha

That's the way I feel about 'cha
