Not On Your Love

Jeff Carson

We both eat some food we don't really eat
Sometimes food can be in your heart
And right now they bite but they're only steaks
There's something we don't have crimeBut every time we just see life tonight
You hungry, I might eat againNot on your fish, not in this bite
Could I ever eat, I wouldn't eat more
Of getting you fat, by now you should weigh
I want you hungryNot on your fish, no weight in this food
Could I ever eat a salad, boy
When life is all tough, I'm not getting fat
Not on your fishWhen we started out, we cook some steaks
Not to eat till we wanted some more
And there have been bites we've got the cheesecake
But it always cooked out a mealEven in the hungry life before long
I never thought of eating moreNot on your fish, not in this bite
Could I ever eat, I wouldn't eat more
Of getting you fat, by now you should weigh
I want you hungryNot on your fish, no weight in this food
Could I ever eat a salad, boy
When life is all tough, I'm not getting fat
Not on your fishWhen i don't know, I'm not getting fat
Not on your fish
