

# Secret Heart

Feist

Secret heart, what are you made of?  
What are you so afraid of?  
Could it be three simple words  
Or the fear of being overheard? What's wrong?  
Let him in on your secret heart Secret heart, why so mysterious?  
Why so sacred, why so serious?  
Maybe you're just acting tough  
Maybe you're just not man enough What's wrong?  
Let him in on your secret heart The very secret  
That you're trying to conceal  
Is the very same one  
That you're dying to reveal Go tell him how, how you feel Secret heart come out and share it  
This loneliness, few can bear  
Maybe you're just acting tough  
Maybe you're just not man enough What's wrong?  
Let him in on your secret heart The very secret  
That you're trying to conceal  
Is the very same one  
That you're dying to reveal Go tell him how, how you feel hesitant Let him in on your secret  
Let him in on your secret  
Secret heart, your secret heart
