

# Love and Some Verses

## Iron & Wine

Love is a dress that you made  
long to hide your knees  
love to say this to your face,  
"I'll love you only"  
for your days and excitement,  
what will you keep for to wear?  
someday drawing you different,  
may I be weaved in your hair? Love and some verses you hear  
say what you can't say  
love to say this in your ear,  
"I'll love you that way"  
from your changing contentments,  
what will you choose for to share?  
someday drawing you different,  
may I be weaved in your hair?
