Roxanne

Sting

Roxanne, you don't have to put on the red light Those days are over You don't have to sell your body to the night Roxanne, you don't have to wear that dress tonight Walk the streets for money You don't care if it's wrong or if it's right Roxanne, you don't have to put on the red light Roxanne, you don't have to put on the red light I loved you since I knew ya I wouldn't talk down to ya I have to tell you just how I feel I won't share you with another boy You know my mind is made up So put away your make-up Told you once I won't tell you again, "It's a bad way" Roxanne, you don't have to put on the red light Roxanne, you don't have to put on the red light {But she did anyway} Loved you since I knew ya I wouldn't talk down to ya Don't you want someone tellin' you again? I won't share you with another boy You know my mind is made up So put away your make-up Told you once I won't tell you again, it's a bad way Roxanne, you don't have to put on the red light Roxanne, you don't have to wear that dress tonight Roxanne Roxanne
