

Come and Be Alone With Me

The Jungle Giants

It's alright, it's okay
I didn't need my sanity anyway
I'm lying here in my brain
I feel good, something I can't explain
Well I don't use that certain type of brand
Oh, I don't need your man It's alright, it's okay
I didn't need my sanity anyway
I'm lying here in my brain
I feel good, something I can't explain
Well I don't use that certain type of brand, no
Oh, I don't need your man
No I don't
Come and be alone with me
We could get stoned, we can hang
I don't mind
You're the coolest girl
I've ever known
So why don't you just
Come and be alone with me? Come and be alone with me
We could get stoned, we can hang
You're the coolest girl
I've ever known
So why don't you just
Come and be alone with me?
Come and be alone with me
Come and be alone with me It's alright, it's okay
I didn't need my sanity anyway
