I Refuse To Lose

Jarekus Singleton

On my way to the top and I can feel it
Dropped the top on my future, no ceiling
I feel real good when I walk in the building
My soul is my weapon, I wonâ€™t conceal it
I suffered so many years
I cried so many tears
Some things I donâ€™t understand
But I took my hits just like a man

Yâ€™all ainâ€™t caught on to it yet
Maybe this time you wonâ€™t forget
I win at whatever I choose
â€˜Cause I refuse to lose

To pay the bills I had to sweat
I worked hard jobs with no regrets
I scrubbed toilets â€˜til squeaky clan
And I scrubbed floors with Mr. Clean
My friends wrote me off,
Talked about me like a dog
But I had to maintain
All odds against me
But I worked through the pain

Yâ€™all ainâ€™t caught on to it yet
Maybe this time you wonâ€™t forget
I win at whatever I choose
â€˜Cause I refuse to lose

At times my spiritâ€™s been low
Those are times I cherish the most
â€˜Cause they made me did deep within
If you think Iâ€™m gonna lose, you better think again
Spending nights back at my mommaâ€™s house
Brainstorming on mommaâ€™s couch
Then I grab my six string girlfriend
I tune the world out, now the worldâ€™s tuning in

Yâ€™all ainâ€™t caught on to it yet
Maybe this time you wonâ€™t forget

I win at whatever I choose
â€˜Cause I refuse to lose

You wonâ€™t forget, you wonâ€™t forget, you wonâ€™t forget
I win at whatever I choose
â€˜Cause I refuse to lose
